

Environmental policy

Our goal is that all staff at The Collector's Hotels shall work for and be engaged in environmental issues. The entire company strives for choosing and encouraging the use of environmental friendly alternatives and products wherever possible.

- 1) We recycle papers and magazines*
- 2) We recycle glass- and PET-bottles*
- 3) We recycle all lamps incl. fluorescent lamps*
- 4) We return empty toners for recycling*
- 5) We recycle all electronical equipment such as used computers and faxes*
- 6) We recycle all hazardous waste such as batteries and fridges*
- 7) We do not use disposable material such as plastic plates, cups, cutlery, egg cups etc in our organization*
- 8) We do not use disposable food containers of aluminium*
- 9) We do not use wrappers of aluminium or plastic*
- 10) We encourage our collaboration partners – such as laundry, dry cleaning and cleaning services – to use environmental friendly alternatives and products*
- 11) We aim for buying environmental friendly cleaning products, waste- and sanitary bags and copy paper*
- 12) We co-ordinate all purchases to limit the number of transports to our company*
- 13) We make it easy for our guests to positively contribute to the environment by encouraging them to limit the laundry of towels in the guest rooms*
- 14) Leijontornet restaurant has an organic profile and only uses locally produced product by local farmers*
